DROFESSOR WHEELER, would respectfully aurace the attention of the Hengkong Public to the importance of baving the Hair Cut, and Dressed in an Artistic manner and style. Appropriate to the Individual is the cut of the Hair : there can be no fixed or prevailing fashion without destroying almost universally the harmony of the fout extender. Indeed as diverse as is the contour of the buman bead and facial outine, just sopeonliar should be the trim and strangement of the Hair. This fact is acted upon by only those Hair-Outters who possess an inherent judgment in maiters of taste, on tirated and improved by incessant study and application. Of this rare class, Professor WHEELER, humbly claims to . be one, and the Only One in this Colony, and be modestly but confidently lavites all who may be distructful of his ability to give him at lou-th trial before pronouncing an adverse opinion. He may be found at all hours of the day in his Apart-

[From our Special Correspondent.] New York, June 9, 1885. Two questions chiefly occupy public attention haps a lexurious life abroad, receiving much at have of he United States within said States, giving the present what to do with Jefferson Davis, tention from certain people. He must be conand what to do with the freed negroes. Both are spicuously punished, and yet not made a martyr to layed residents the preference of appointment of difficult of solution. As to the latter, I shall have either by his imprisonment or his death. Therefore but if suitable residents are not found; then the something to say but like the decision of the ques- upon his condemnation I would reprieve this santion itself it can be well positioned a while. The tonce indefinitely, on condition that he gave his district judge for the judicial district in which other subject is felt by all to be of instant interest. parels never to leave the country, and to report Mississippi, is included, proceed to hold counts Daly last evening a lecture was delivered at our himself once a month to the judicial or military with insaid State in accordance with the provincial largest hall for public casetines, the Couper Inst officer of the Republic nearest to his place of resi- of the Act of congress, and Attorney-General will fortune of about 800,000 dollars. Wherever may he thought of his oratinty and I confere that I have siways regarded it as loose, wenk and wordy. mere agitation, which has no value or force beyand the moment of its atterance—there can be rone as to the disinterestedness of his motives. I notice thus these two prominent abulitimists, they really do not desire to see Jefferson Davis because of the roiterated ascertions in Europe that and General Lee hanged, they will do well to coase all people of property and stable most jon in soci- their endeavours to teach our Government and our ety at the North have been until lately panderers people what it becomes them to do in this matter to elavory, or at least indifferent about it. Many Chily the other day a lady in whom I am somesuch men have occupied that position, but many what interested, and who, although she looks not hays not. To return to Mr Garrit Smith's lecture Very like Menter or Minerva, sometimes deems mon the primer made of dealing with the rehale herself responsible for the daily revolution of the He was asked to deliver it in a letter signed by farth upon its axis, undertack to reprove a strange nine well-known gentlemen. But sarely nine little buy for some peccadille. Whereupon another names representing such indongrams opinions little boy who was by, one in whom also I am upon public affairs were never seen before upon Supposed (but quite erronequely, I assure you) in one piece of paper. Among them were much for .. he interested, began to fidget and sto hen an and midable anti-slavery champions as Horace Greelev down like a hen on a bot griddle, and when the and Henry Ward Beecher on the one hand, and lady turned from her task he said, dropping out on the other, such active supporters of the rehal. his words with a shy sauciness that relieved them. Bin as Mayor Quather and a gentleman who of all disrespectfulness, "Ma-ma, ma-ma; why threatened that there should be "a Republican don't you mind-your own hadrees & Yours henged at every lown post in Broadway." For not that little how's mama, and he'll only go and pulling together would not be so marvetting a admonition to "go and do it more" may be sight. This a range union was brought about by of breat degeneracy, but still I confess to you the desire of the gentlemen in objection, and those | that although we should not yield, advice such as whom they represent, to begin a very strong puls. That we are now receiving does, offer as a temp-

lie move nort against any punishment whatever of lation or provocation. You may think however. the rebels, leaders or followers, except the dis- that you are this little hor's manney. And the franchisement of a few of them. Me Smith did term "mother counter" applied to England may not succeed very well in convincing even an andia seem to give some support to such an essemblian. ence brought together under such anspices: This A moment's reflection, however, will show you is not surprising, since the argument upon which | that our position is not that of parent and child, he chiefly relied was that as the Government had but of children of the same parent. You are all. treated captured rebels as prisoners of war, but I think, even those who are most considerate, apt e-changed them, and had recognized flags of truce to forget that although as an independent political all through the war it was bound to treat its body this republic is young as a people we are subdued enemies as if they were a foreign pation exactly, as old as you are, and with a wider difover whom we were victorious. This view of the case is urged persistently on your side of the you are justly prood. And I would say briefly to water, by those who are favouring up with so those gentlemen who are now endeavouring to. much advice and admonition upon this enhicet. We recard it as a very false view. We treated captured rebels as prisoners of war from more necessity, because, the rebels had within their lines prisoners taken from our forces upon whom they would have ratalisted the execution of any sentence which might have been prenounced by the courts of law or military tribumils. By none of its acts did the Government intend to recognize in the least degree or in any shape the status aseumed by the so-called insurgent Government. Its dealings with the rabals were parely military. dealings, and with the consultant of the heatile relations to which they solely were adopted they cents to have any eff ot. Only coldlers dealt with soldiers, and when any paraled prisoner is relacsed from his parole, he becomes enhient as a citizen to all the laws in force in the country where he lives which were in force before he took up arms against ble Government. An ex post factal law cannot here be made. As to taking prizon. "The President has under consideration and will ers and exchanging them, that we in New York | shortly issue a proclamation, intended to put an might have been compelled to do with our Irish end to the purchase, by Government agents of sinters in 1863. Had they taken balf a dozen of products of the late insurrectionary districts. The our policemen or other citizens prin nere, and low of July 2: 1884, provides for the sale to the threatened to put them to death unless we would Government of the products of States declared in receive them in the exchange for certain of their insurrection; and requires in effect that one fourth party who were in costady; we should have sub- of such products shall be given to the Govern-
